

Tillamook County has a variety of storms & wind, fires, landslides, floods, power outages, earthquakes and potential tsunamis—It is critical to

Be Prepared Not Scared

Can you answer 3 questions:

- Do you have a **GoBag** ([GoBag](#))
- Do you have an **Emergency Plan** ([Readiness Handbook](#))
- Do you know where the nearest **Assemble Area** is? ([DOGAMI](#))

What can you do to get started:

- **Neighbors Helping Neighbors** – talk to your neighbors, join or start a Prepare Your Neighborhood team (<https://evcnb.org/prepare-your-neighborhood>)
- **Involve second homeowners**, they can be an important part of your team
- Be sure you have a **GoBag** located for easy access
- Get a map showing Assembly Areas and Beat the Wave map for your area ([DOGAMI](#))
- Check out EVCNB website for information. [Preparedness Guide](#)
- If you live in the Nehalem Bay area call Kris Campbell Kris.Campbell@evcnb.org to get started
- If you do not live in the Nehalem Bay region call Tillamook County Citizen Corp lead for suggestions of groups in your area. Don Backman dback01@gmail.com

VOLUNTEER! There are lots of ways, become part of a Community Emergency Response Team, volunteer in a shelter, learn how to communicate after an emergency! Contact:

- EVCNB info@evcnb.org
- Tillamook County: Don Backman dback01@gmail.com

HOW CAN WE PARTNER WITH REALTORS TO PROVIDE PREPAREDNESS INFORMATION?
